

Competitive Edge "Double Thick" Nail Forms

With Tammy Taylor Award Winning Competitive Edge Double Thick Nail Forms "You will never have another flat nail!"

"I created the Competitive Edge Double Thick Nail Form many years ago for competition nails; they were so easy to use, and they kept such a nice C-Curve in the nail, they became the most popular form used in Salons today.

The Tammy Taylor Competitive Edge Double Thick Nail Forms are a cross between paper and foil, to give you the ease and comfort of a disposable form and the C-Curve of an aluminum form. And, all of the Tammy Taylor Nail Forms have a built-in grid system to help you create the precise nail length, every time.
