

## **NEWS FLASH ! "Cover It Up" Full Coverage Corrective Powders**

**"Only Your Manicurist knows"**

"I am so excited to introduce to you my "Brand New Full Coverage Corrective Powders"; You will be amazed and thrilled when your Nail Tech can turn bitten, damaged, short, stained nails into Beautiful nails. I have been teaching how to extend the nail-bed to create an illusion of a long slender beautiful nail (especially on Nail Biters and short damaged nail-beds) for over 28 years; and NOW with **"Cover It Up"**, your Nail Tech will be able to completely cover the nail-bed and extend it, without any nail or skin being seen beneath the acrylic; giving a flawless appearance to the finished nail. Also, if you love to wear Pink & White Nails but are prone to Fill-Lines; "No More Fill-Lines" with Tammy Taylor "Cover It Up" Full Coverage Corrective Powders."
