

# "Cuticle Rescue" Tammy Taylor "Mini Manicure" Kit

## The Tammy Taylor "Cuticle Rescue" Kit Eliminates:

- Painful hangnails
- Hard to remove cuticle
- Excessive cuticle
- Ragged cuticles

- All without Cutting Cuticle Skin with scissors or nippers

## Cutting the Cuticle Skin Causes:

- Cuticle skin to grow back thicker and faster
  - Cuticle skin to get hard and painful to remove
  - Painful hangnails
  - Excessive cuticle
  - Ragged cuticles
- "A little Rule of thumb I learned in Nail School: The only time Scissors & Nippers should be used to remove Cuticle skin, is if the skin is so ragged it is standing up and "waving" at you."**
- **Do your Mini-Manicure in Less than One Minute a Week using your Tammy Taylor "Cuticle Rescue" Kit**

## Your "Cuticle Rescue" Tammy Taylor "Mini Manicure" Kit contains everything you need for Soft and Healthy Cuticles:

- **Tammy Taylor Creamy Cuticle Remover** 4 oz.
- This thick and creamy formula will eliminate dead skin and cuticles in a fast 30 seconds.
- **Tammy Taylor Conditioning Cuticle Oil** 1/2 oz.

All natural, conditioning cuticle oil softens and moisturizes cuticles to help keep troublesome cuticles under control. There is no alcohol or mineral oil used, **(alcohol or mineral oil are the ingredients of many other oils, that have a drying effect on cuticles and nails).**

- **Tammy Taylor Orangewood Stick**

Softly and gently pushes back cuticles.

- **Tammy Taylor Natural Nail Shaper File**

Especially created for "Natural" fingernails, with a Smooth filing surface; that is strong enough to shorten and yet gentle enough to file natural fingernails. And... without ripping or tearing, to help eliminate cracking, breaking, peeling and splitting; promoting healthy natural nail growth.

"I know you are going to enjoy having pain-free, healthy cuticles so much, I have put together a 1 year personal supply of Tammy Taylor "Cuticle Care" products for you."
