

Disposable Foot Files

The Smoothest, Most Aggressive, Cleanest Foot File You Will Ever Use!

"The Tammy Taylor "Zebra Foot Files" are guaranteed to file down the hardest, toughest callus you have, and still leave your feet smooth, without any roughness or snags.

Many aggressive foot files or callus grinding utensils file down the callus, but... they are not soft enough to smooth the foot; so, afterward your feet feel rough with little snags that catch on socks, sheets, nylons etc. But... with your Tammy Taylor "Zebra Foot Files", you will have Smooth, sheet tested feet every time.
