

Emergency Nail Repair Kit

"Everyone needs their own "Emergency Nail Repair Kit"; especially if you have a crazy work schedule and it is hard for you to get in for a repair or when you are going on vacation.

The purse size Tammy Taylor "Emergency Nail Repair Kit" has everything you need to fix an emergency nail repair, in a pretty little drawstring bag."

Tammy Taylor

Directions: How to Repair a Broken Nail

- Apply **Tammy Taylor "Tip & Repair Glue"** to area to be repaired; hold together for about 20 seconds, until fully bonded.
- File with **Tammy Taylor "Mini" Zebra File** to blend the repaired area into nail.
- Apply **Tammy Taylor "Peach Conditioning Cuticle Oil"** to entire nail and rub it in. This will help buff nail smoother.
- Buff with **Tammy Taylor "Mini" Clean Finish Buffer** to smooth repaired area.
- Apply color polish and follow with **Tammy Taylor "Z-Coat" (Non-Yellowing Top Coat)**
