

## Get Your Feet Ready for Sandals...

"Sandal Season" is right around the corner, and I know there are going to be a lot of cute sandal styles coming out; but there is one problem: Cracked, Dry Feet do not look pretty, no matter how cute the sandals are. So, I have been getting my feet ready and I was thinking, if I am getting my feet ready for sandals, I know there are a lot of women who need to get their feet ready also. So I put together the Tammy Taylor **"Get Your Feet Ready for Sandals Kit"**; **Change your Rough, Callused Feet into Smooth, Soft Feet in only 1 Week.**

*Tammy Taylor*

- **So Easy and Safe, anyone can use this Kit**
- **There is No Cutting, No Razor Blades, and No Metal Implements**
- **The Safest, Fastest way to get Soft, Smooth Feet**
- **Safe for the Elderly, Diabetics etc...**

**"Get Your Feet Ready for Sandals Kit" contains:**

- Tammy Taylor **Exfoliating Scrub** is an all natural pumice exfoliant, that is suspended in an aromatic "fresh" Peach moisturizing cream; which creates a thick creamy fragrant scrub, that will not separate while you are massaging it onto the skin. Invigorates and promotes healthier smoother skin without any drying effects.
- Tammy Taylor **Peach Callus Soft** has the aromatic fragrance of "fresh" Peaches; feels like a Rich & Creamy lotion when applied; Gently and effortlessly softens callus and dry rough skin.
- Tammy Taylor **Disposable "Zebra" Foot File** is the fastest, easiest, and cleanest foot file you will ever use; with the easy to replace **"Disposable"** Filing Pads; just peel off the old filing Pad and stick on a new one. The Pad with Blue writing is the softer side to smooth with and the Pad with the pink writing is the more coarse side, to file down callus and hard, dry, cracked skin."
