

"Keep Natural Nails Healthy Underneath Acrylic Nails" Kit

Only a 20-second "Daily" Mini-Maintenance is needed, for your clients to keep their Natural Nails Healthy Underneath their Acrylic Nails. This is a great retail item, or as a free gift with every Full Set.

Directions:

1. Apply 1 drop of Tammy Taylor "Thymolize" underneath the Free-Edge of each nail daily.

Note:

Tammy Taylor "Thymolize" - keeps the underneath of your Free-Edge Clean & White, which helps keep the nails healthy and prevent fungus.

2. Massage Tammy Taylor "Cuticle & Conditioning Oil" into the cuticle area of each nail; do this at least 1 time a day.

Note:

Tammy Taylor "Peach Cuticle & Conditioning Oil" promotes healthy natural fingernail growth, and soft smooth cuticles.

A 100% "natural" oil that has been blended with the purest, highest quality ingredients, of all organic natural essential oils, extracted from plants and infused with special vitamins, and luxuriously scented with the aromatherapy fragrance of Peach.
