

Launching her Brand New Nail Gel

"NEWS FLASH !!

Tammy Taylor is Launching her Brand New Nail Gel"

"My goal for over 20 years has been to perfect nail gels for you; and finally with the new breakthroughs in technology over the last 6 months I have been able to achieve this goal."

Tammy Taylor

Tammy Taylor, CEO, Tammy Taylor Nails

The New Tammy Taylor Soak Off UV Nail Gel is for everyone who does not wear acrylic nails.

It is especially Perfect for your Natural Nails, because there is no filing, drilling or damage and it promotes growing, long, strong natural nails.

Turn the weakest, softest, nail bitten or most brittle natural nails into beautiful strong nails.

Have your Nail Tech do one Tammy Taylor Gel Overlay on your natural nail as a trial nail and I guarantee you will want to have all of your nails done.

"Tammy Taylor Soak-Off Nail Gel" is a Flexible, Non-Odor, (U.V.. cure), Color Nail Gel System

Available in many beautiful French Manicure colors, and will soon be available in an array of beautiful Fashion colors.

A DRILL IS NEVER USED to remove Tammy Taylor Soak-Off Nail Gel it soaks off

easily with acetone, or any artificial nail remover.

"Tammy Taylor Soak-Off Nail Gel" on natural fingernails:

- **Use "Tammy Taylor Soak-Off Nail Gel" especially as an alternative to manicures on natural nails**
- **"Tammy Taylor Soak-Off Nail Gel" is especially great for clients with thin natural nails, damaged natural nails, split natural nails, long natural nails, flexible natural nails, and brittle natural nails**
- **Clients who could never grow their own beautiful natural nails before can now have beautiful natural nails with "Tammy Taylor Soak-Off Nail Gel"**

"Tammy Taylor Soak-Off Nail Gel" characteristics:

- Flexible, so it flexes with the natural nail and does not cause any pressure on the nail bed
- Very light feeling and thin, so the client feels NO tightness or heaviness
- If you are used to having natural nails and only wear polish, you will not feel any different than when wearing polish, except your nails will be stronger and more beautiful
- There is no damage done to the natural nail
- Natural nails grow out fast and beautiful
- Easy to apply for a smooth, flawless and shiny nail
- NO filing needed for overlays on natural nails
- Very gentle on the natural nail, promoting healthy natural nail growth
- Shiny finish, and without the use of polish or buffing
- Strong and Durable, even when applied thin like polish
- No fumes, vapors or odors
- Very easy to file and flexible, so no drills ever needed
- Over 50% LESS heat than conventional gels
- Does not get brittle
- Non-yellowing
- Does not chip away at the free-edge
- Makes a crisp smile line for French Manicures
- Non-lifting formula for excellent adhesion
- Use for fingernails and toenails
- Crystal clear clarity
- Stays shiny and smooth like glass
