Boo-Boo Fixer:

Tammy Taylor "Boo-Boo Fixer"

- **Saves time**, by eliminating having to take the polish off the smudged nail, and then starting all over again.
- **Saves aggravation**, because not only is re-doing your polish very time consuming, it takes longer for that "one" nail to dry; so the odds of smudging it again goes up.
- **Fast and Easy**, it takes just a few seconds for this special formula to smooth out any fresh smudge.

Directions: First - brush Tammy Taylor "Boo-Boo Fixer" over freshly smudged, nicked or damaged wet polish area, and the "Boo-Boo Fixer" restores manicured nails to original smoothness. Follow with one coat of your Color nail Polish and a Top Coat.

Tammy Taylor "Polish Rejuvenator"

- **Makes your old Nail Polish like "New"**.
 - **When solvents evaporate in Nail Polish, the Nail Polish will become thick; the "Polish Rejuvenator" replenishes the solvent, and thins out the Nail Polish.**
 - **Blends quickly** into your Nail Polish.

- **Save \$** - Never again do you have to throw away Expensive Nail Polishes, or your favorite Nail Polishes because they have become too thick.
- **Thins out all brands of Color polishes**, Base Coats and Top Coats; making them Smooth, Shiny, and Easy to Apply.

Directions: Add a couple of drops of Tammy Taylor "Polish Rejuvenator" to all of your Base Coats, Top Coats and Color Polishes, when they get a little thick, or clumpy.

Tammy Taylor "Peach Conditioning Cuticle Oil & Quick Dry"

- **Formulated with all natural** luxurious oils & vitamins.
- **Dries your polish FASTER** than a spray-on quick-dry.
- **Moisturizes** dry, chapped cuticles and promotes healthy, strong, natural fingernails at the same time.

Directions: Brush over "wet" Polish.

Note: let Nail Polish or Top Coat dry for 30 seconds before brushing on Tammy Taylor "Peach Conditioning Cuticle oil & Quick Dry".

	<p>"Your "Polish Necessity Kit" will pay for itself, with the "first" bottle of Nail Polish you can "Rejuvenate" instead of throwing it away."</p> <ul style="list-style-type: none"> • "Polish Necessities Kit" • 3 Amazing Tammy Taylor Products in a Chiffon easy to carry drawstring bag.
