

Mini-Manicure in Less than One Minute a Week

Have you ever had painful hang-nails? Hard to remove cuticle? Excessive cuticle? Or ragged cuticles?

Did you know that cutting your cuticle with scissors or nippers:

- causes cuticles to grow back faster
- causes cuticles to be harder to remove
- causes painful hang-nails
- causes excessive cuticle
- causes ragged cuticles

2009

Warning: Scissors & Nippers should "never" be used to remove the skin around your cuticle, or skin that has grown onto your fingernail; The only time cuticle or skin should be cut, is if it is so ragged it is standing up and waving at you.

In Less than One Minute a Week your Tammy Taylor "Mini Manicure" Kit:

- Keeps cuticles soft and healthy
- Eliminates hard to remove skin from growing onto natural fingernail
- Eliminates painful hang-nails
- Eliminates hard to remove cuticle
- Eliminates excessive cuticle
- Eliminates ragged cuticles

Your Tammy Taylor "Mini Manicure" Kit contains everything you need for Soft and Healthy Cuticles:

Tammy Taylor Peach Spa Creamy Cuticle Remover 4 oz.

Cuticle health and maintenance is a snap with this fresh peach scented cuticle remover that is so quick and easy to use. This thick and creamy formula will eliminate dead skin and cuticles in a fast 30 seconds. No need to use nippers that make the cuticles grow back hard and painful to remove.

Tammy Taylor Peach Spa Conditioning Cuticle Oil 4 oz.

This all natural, peach scented conditioning cuticle oil softens and moisturizes cuticles, to help keep troublesome cuticles under control. There is no alcohol or mineral oil used, (the ingredients many other oils use that have a drying effect on cuticles and nails). Also, after you polish your nails you can apply a drop of your Tammy Taylor Peach Conditioning Cuticle Oil as a nail polish quick-dry, that dries polish up to 5 times faster than air drying.

Tammy Taylor Orangewood Stick

A handy professional Salon item now available to you; the Tammy Taylor Orangewood Stick is made from 100% Birchwood, for long lasting durability and performance, without splintering and especially shaped for cuticle work, so it is all you need to softly and gently push back cuticles.

Tammy Taylor Natural Nail Shaper File

Especially created for Natural fingernails, with a Smooth filing surface; that is strong enough to shorten and yet gentle enough to file natural fingernails, without ripping or tearing, to help eliminate cracking, breaking, peeling and splitting; promoting healthy natural nail growth.

Do your Mini-Manicure in Less than One Minute a Week with your Tammy Taylor "Mini Manicure" Kit and these Fast and Easy Directions:

1. Massage your thick and creamy Tammy Taylor Peach Spa Creamy Cuticle Remover onto your cuticle area and fingernail for 30 seconds.
2. Push back your cuticles with your Tammy Taylor Orangewood Stick.
3. Rinse and dry your hands.
4. Massage your Tammy Taylor Peach Spa Conditioning Cuticle Oil onto cuticle area and fingernail.
