

Nail Powder on Sale!

Every Client is unique and each has a different preference of which Color Nail Powders they like on their Nails, so you have 12 Beautiful Natural Looking Tammy Taylor Nail Powder Colors for your Clients to Choose from.

Tammy Taylor

The Tammy Taylor Pink & White Acrylic Nail Powders are listed in order from the Lightest to the Darkest:

		
Pink - a very light slightly opaque pink. (P)	Clear Pink - a very light translucent pink. (CP)	Dramatic Pink - a medium pink with a warm undertone. (DP)
		
True Pink - A medium pink with a cool undertone; just a little pinker than dramatic pink. (TP)	Pinkest Pink - a darker pink with a cool undertone. (PP)	P3 - the darkest pink with a warm undertone. (P3)
		
White - a very light white; looks like a natural free-edge.. (W)	Dramatic White - a medium white; very opaque, but not a stark white; looks natural. (DW)	Whitest-White - a very opaque, stark white; looks like a French manicure white. (WW)
		
Natural powder - a mixture of white and clear; to be used over the entire nail as one color; used mostly for clients who wear color polish. (N)	Clear powder - a multi-purpose powder used alone or with any of the powders; and used as an overlay for Prizma powders. (C)	Peaches 'n Cream powder - a light slightly opaque peach; looks great on darker skin tones; use with any of the free-edge white powders; makes a beautiful French manicure. (PC)

Tammy Taylor
CEO, Tammy Taylor Nails

Tammy Taylor Nail Powders are made in the U.S.A.

I would love for you to try some New Colors so I have put together a Super Special for you on the small Nail Powders, this way you will be able to have all 12 of the Tammy Taylor Nail Powder Colors for your clients to choose from.

You can always feel confident when using your Tammy Taylor Nail Powders because I know how important it is to your business to have Great Nail Powders to create Great Nails so, I personally test every single batch of Nail Powder for performance, color, clarity and consistency, before it is ever filled into jars.

Your Tammy Taylor Nail Powders can be **shaped while drying**, and they have been developed to **cure gradually** as they set up, giving you the time to shape the famous Tammy Taylor **C-Curve** into your nails, giving your nails that **beautiful natural looking, slender, curved** and strong nail, that keeps your clients coming back.

Tammy Taylor Nail Powders are available in 2 different work-abilities for your nail application style:

The Tammy Taylor Original Nail Powder is fast setting.

The Tammy Taylor (S-Set) Nail Powder is slower setting.

Both the **Original powder and the (S-Set) powder (aka) Summer Nail Powder**, have all the same fabulous colors, outstanding features and qualities, you have come to know and trust.
