

Tammy Taylor "No More Hangnails" Kit

Your Tammy Taylor "No More Hangnails" Kit Eliminates:

- Painful hangnails
- Hard to remove cuticle
- Excessive cuticle
- Ragged cuticles

Eliminating the need to "Cut" Cuticle Skin with scissors or nippers.

Cutting the Cuticle Skin Causes:

- Cuticle skin to grow back thicker and faster
- Cuticle skin to get hard and painful to remove
- Painful hangnails
- Excessive cuticle
- Ragged cuticles

"A little Rule of thumb I learned in Nail School: The only time Scissors & Nippers should be used to remove Cuticle skin, is if the skin is so ragged it is standing up and "waving" at you."

Your Tammy Taylor "No More Hangnails" Kit contains everything you need for Soft and Healthy Cuticles:

Tammy Taylor "Peach Spa Creamy Cuticle Remover" 4 oz. is a thick and creamy formula that massages into cuticle area easily, eliminating dead skin and cuticles in a fast 30 seconds.

Tammy Taylor "Peach Spa Exfoliating Scrub" 8 oz. is an all natural pumice exfoliant; suspended in an aromatic "fresh" Peach moisturizing cream; which creates a thick creamy fragrant scrub, that will not separate, while you are massaging it onto the skin.

Tammy Taylor "Peach Spa Conditioning Cuticle Oil" 1/2 oz. is an all natural, conditioning cuticle oil, which softens and moisturizes cuticles to help keep troublesome cuticles under control.

There is no alcohol and no mineral oil used.

(Alcohol and mineral are not recommended, as they are the main ingredients
