

Peach Body & Hair Shampoo

Tammy Taylor "Peach Body & Hair Shampoo" and for Babies or Toddlers with Sensitive or Dry Skin

Tammy Taylor "Peach Body & Hair Shampoo" is designed for sensitive and/or dry skin, which makes it especially good for babies and toddlers.

"Both of my sons have very sensitive skin and this is the only cleanser I would use on them when they were babies; they never had diaper rashes, dry scalp or dry skin."

The "Peach Body & Hair Shampoo" is a 3 in 1 product; great for the hair, the skin and the body.

- The rich luxurious lather cleanses thoroughly, but gently.
 - Moisture saturated emollients and rare botanicals neutralize the harsh drying effects of hard water.
 - These emollients dramatically enhance the moisture level of hair and skin leaving a soft velvety feeling.
 - Made in the USA, and blended under the strictest standards, with all natural ingredients; Liposome's, rare botanicals, vitamins, natural moisturizers and humectants.
 - The Signature Tammy Taylor Peach Fragrance has the soft scent of just picked peaches, slightly tart, fresh and peachy.
-

- **Directions:** Lather and rinse thoroughly.
