I put together the "Perfect French Manicure Kit" for you, so you can do beautiful French manicures in your Salon. **Also:** Retailing the Tammy Taylor "Perfect French Manicure Kit" to your clients is a great idea. I like all of my clients to have their own Perfect French Manicure kit at home, so they can touch up between manicures.

**Your Tammy Taylor "Perfect French Manicure Kit" Includes:**

- 1. Tammy Taylor "California French White" Nail Colour (polish)**
  - A special opaque white that was created for the free-edge of the nail.
  - Your White free-edge will be very smooth and shiny, **never** chalky or streaky, or thick.
  - There is a Base coat in the formula so you can apply it directly to the natural fingernail.
- 2. Tammy Taylor "California French Pink" Nail Colour (polish)**
  - A creamy sheer natural looking pink polish for the nail-bed.
  - This natural looking pink is **never** too dark and **never** discolors the white free-edge.
  - The Base coat is in the formula, so you can apply it directly to the natural fingernail.

3. **Tammy Taylor "Z-Coat" Non-Yellowing Top Coat**
  - Z-Coat gives your nails a professional Salon smooth luster, never before experienced with other top coats.
  - Use over ALL of your nail polishes to stop streaks and bubbles.
  - Z-Coat will keep reds and deep colored polish from fading, and French Manicures from yellowing on natural nails.
  - Z-Coat Formula goes on smooth with a high gloss shine, and has a hard but flexible chip proof finish.
4. **French Manicure "Forms"**
  - Easy to use, stick on guides, to help make a clean white line at your free-edge.
5. **Logo "Draw String Carry Bag"**
  - A cute little bag to keep your kit altogether so it is ready when you are.
