

Sandal Ready Feet!

Sandal Ready Feet in just a Minute a Day!

Do the bottoms of your feet ever get Dry or Rough? Or, Build Up with Callus? Especially around the Heel, and the Balls of your feet?

When wearing sandals the heel area is very prominent; if this area is dry and cracked and thick with callus, it will ruin the look of even the most beautiful sandals.

With your Tammy Taylor "Sandal Ready Feet" Kit, you Can **Change your Rough, Callused Feet into Smooth, Soft Feet in only a Minute a Day!**

So Easy and Safe anyone can use it. There is No Cutting, No Razor Blades and No Metal Implements, making it the safest way to get Soft, Smooth Feet. (Great for Diabetics)

- Tammy Taylor **Peach Callus Soft**, has the aromatic fragrance of "fresh" Peaches and the Tammy Taylor **Aroma Spa Callus Soft** has the aromatic fragrance of Peppermint; both of the Tammy Taylor Callus Softeners feel like a Rich & Creamy lotion when applied; and they Gently and effortlessly soften callus and dry rough skin.
- **Tammy Taylor Foot File with "Disposable" Filing Pads** is the fastest, easiest, and cleanest foot file you will ever use; with the easy to replace **"Disposable" Filing Pads**; just peel off the old filing pad and stick on a new one, there are 2 different filing pads which come in your kit: a coarse filing pad to file down hard callus and a smoother filing pad to smooth rough areas
