

Soak-Off Nail Gel (3 NEW Colors)

Tammy Taylor "Soak-Off Nail Gel" is so Simple to Use, **ONE Gel Does It All!**
Base gel, Builder gel and Top gel... In One Amazing Formula.

"Today I am announcing 3 Brand New Color Gel additions to the Tammy Taylor "Soak-Off Nail Gel" Line.

- And, to help you get all of your favorite Tammy Taylor Soak-Off Nail Gels including your 3 New Colors, I have put together a Wonderful Special for you:

FREE - Two of the 1/4 oz. Tammy Taylor Nail Gels (your choice of colors) when you purchase Two 1/4 oz. Tammy Taylor Nail Gels (your choice of colors)."

Tammy Taylor

- A Flexible, Easy to apply, Simple Step-by-Step, Non-Odor, (U.V. cure), Color Nail Gel System
- You basically cannot make a mistake, it is that easy. You are in total control; when you want to build, you can build; when you want to blend, you can blend; and if you want to brush on a thin overlay that looks like nail polish, for chip free manicures and pedicures; you can do that also.
- Especially great for clients with thin natural nails, damaged natural nails, split natural nails, long natural nails, flexible natural nails, and brittle natural nails.

Pinkalicious- Bright Rosy Pink

Fairy Princess- Frosty Pink with Sparkle

Stardust- Crystal Clear Gel with Sparkle, use on top of your Gel Colors to give them some sparkle, or use all by itself

Whitest White- this our whitest Gel it is a very opaque white, similar to the color of our California French White Polish

Sheer Pinkest Pink- this is our pinkest Gel but it is sheer so it still looks natural without being too bright

Peaches'n'Cream- a slightly opaque light natural looking peach color

Nude Beige- a slightly opaque natural looking color that just seems to blend in with each skin tone

Natural White- an opaque white that is still very white but it is a little less white than the Whitest White Gel

Natural Light Pink- a slightly opaque light pink, similar to the color of our California French Pink Polish

Natural Dramatic Pink- a slightly opaque medium pink for all skin tones, this is our most versatile pink

Clear with UV- crystal clear with a slight blue UV inhibitor, keeps your pink and white Gels extra bright and fresh looking

Clear Pink with Shimmer- a pink and gold shimmer is added to our Clear Pink Gel, use over the top of your Gel Nails to give some sparkle to your French Manicure or use it all by itself

Clear Pink- very clear with just the slightest hint of pink, use over the top of your Gel Nails or all by itself

Clear - crystal clear, use over the top of your Gels or all by itself

RED - a true "RED"
