Daily Quick Foot Pain Relief Directions:

Step One -

Spray Tammy Taylor **AromaSpa Revitalizer Spritz** (topical pain relief) onto Calves, Ankles, Heels, Arches, Balls of Feet and Toes. "Feels Tingly and Cool as it Revitalizes and Relieves Pain."

Step Two -

Massage Tammy Taylor **AromaSpa Intense Massage Oil** into the same area sprayed with Tammy Taylor **AromaSpa Revitalizer Spritz** (topical pain relief). Use together for ultimate results.

Easy Night Time Procedure Directions:

Step One -

Spray **AromaSpa Revitalizer Spritz** (topical pain relief) onto Calves, Ankles, Heels, Arches, Balls of Feet and Toes.

"Feels Tingly and Cool as it Revitalizes and Relieves Pain."

Step Two -

Create an Aromatherapeutic foot bath with the AromaSpa Intense Massage Oil.

Fill a foot bath with warm water and put in 2 to 3 Squirts of **AromaSpa Intense Massage Oil (Moisturizes as it Relaxes and Soothes)**. The scent from the **Aromatherapeutic foot bath** will also help you relax, as you soak your sore tired feet.

Step Three -

Place your sore tired feet into the **Aromatherapeutic footbath**. Allow your feet to soak for 15-20 minutes.

Step Four -

Dry off your feet thoroughly with a large soft towel. Taking the extra effort to use a soft towel, will help to pamper your sore tired feet. Once your feet are dry, move the water basin out of your way and sit back down in your comfortable chair.

Step Five -

Rub your **AromaSpa Intense Massage Oil** into both feet. Use a circular massaging motion. The Menthol, Peppermint and Eucalyptus will help refresh and revitalize your feet, and the Jojoba Oil will moisturize your feet.

Step Six -

Slip your feet into clean white socks. The white socks are an extra layer of comfort and help to restore your feet to their best. The white socks will help the **AromaSpa Intense Massage Oil** soak into your feet while you sleep.

Never before have your feet, been so well treated!
