

Turn \$kit cost into an Extra \$50.00 the Easy Way....

Learning how to retail to your customers is as easy as:
"Educating them" on what your product can do for them.

What Can Tammy Taylor 100% natural Cuticle oil, which has been blended with the purest, highest quality, organic, all natural essential oils extracted from plants, and infused with special vitamins do for your clients?

- Help heal their dry cracked cuticles
- Promote Healthy strong natural fingernails and healthy nail growth, even while they are wearing Acrylic Nails or Nail Enhancements.
- When used daily, their Acrylic Nails or Nail Enhancements will have less lifting; caused by picking and chewing at their dry cuticle skin.
- When Used as a quick-dry; their Polish will dry up to 5 times faster than air drying; after polishing nails, they just brush on Tammy Taylor Cuticle Oil over nail polish. A "must have" for women on the go!
- Smooth out their nails in between fill-ins: they apply Tammy Taylor Cuticle Oil to nail first, then buff; smoothes out nails instantly.

Tammy Taylor
CEO, Tammy Taylor Nails

2009

And, Tammy Taylor all natural, organic oils won the very Prestigious NAILS "Readers Choice Award"

This award is voted on by you the Professional Nail Technicians, the people who use these products every day for Professional Nail Services. So, you can have even more confidence your Tammy Taylor Oils are the best oils.

I want to give you just a little more info on your Tammy Taylor Cuticle Oil to help you Retail:

<http://www.TammyTaylorNails.com/>
