"I like all of my clients to have their own Perfect French Manicure kit at home, so they can touch up between manicures. So I put together the "Perfect French Manicure Kit" for you."

Your Tammy Taylor "Perfect French Manicure Kit" Includes:

- 1. Tammy Taylor "California French White" Nail Colour (polish)**
 - o A special opaque white that was created for the free-edge of the fingernail.

- Your White free-edge will be very smooth and shiny, **never** chalky or streaky, or thick.
 - There is a Base coat in the formula so you can apply it directly to the natural fingernail.
2. **Tammy Taylor "California French Pink" Nail Colour (polish)**
- A creamy sheer natural looking pink polish for the nail-bed.
 - This natural looking pink is **never** too dark and **never** discolors the white free-edge.
 - The Base coat is in the formula so you can apply it directly to the natural nail.
3. **Tammy Taylor "Z-Coat" Non-Yellowing Top Coat**
- Z-Coat gives your nails a professional Salon smooth luster, never before experienced with other top coats.
 - Use over ALL of your nail polishes to stop streaks and bubbles.
 - Z-Coat will keep reds and deep colored polish from fading, and French manicures from yellowing on natural nails.
 - Z-Coat Formula goes on smooth with a high gloss shine, and has a hard but flexible chip-proof finish.
4. **French Manicure "Forms"**
- Easy to use, stick on guides, to help make a clean white line at your free-edge.
5. **Logo "Draw String Carry Bag"**
- A cute little bag to keep your kit altogether so it is ready when you are.
