Close the Old Chapter and Start a New Chapter

Why do I like to start fresh? Because of the Endless Possibilities...

Thinking about POSSIBILITIES is very POWERFUL and it gets us EXCITED. And, when we are EXCITED, we have ENERGY and PASSION; which leads to the MOTIVATION we need, to make the changes that we have to make.

- We cannot wait until we are perfect
- We cannot be afraid our ideas are going to fail
- We cannot be afraid of what people might say or think

Or WE WILL NEVER START.....

Change your thoughts and you change your world.

When we continue to do the same thing, we will get the same results; so we need to look at the things that directly affect our business, and then make the necessary changes.

- This is really as simple as it sounds, it is just not easy. It is going to take a little bit of time analyzing, but it can be really fun if you look at it as an adventure.
- **Sit down and analyze your business, by putting everything into 2 Categories:**
- **Category #1 The things that give GOOD RESULTS. Continue doing, with NO CHANGES.**
- **Category #2 The things that give BAD RESULTS. Yes, make CHANGES (as quickly as possible).**

You will be amazed at how many NEW IDEAS you will think of, while doing this.

I have a very creative mind, and I am always coming up with ideas; **not all of my ideas are good, but I have always known if I come up with enough of them, I give myself a chance at some of them turning out good, and a few turning out Great.**

So My 2010 Motto is: BE BRAVE! Just Jump in and Do It!

I would like to "Congratulate" Ann- Marie Fiducia, a Very Special Woman, who is living the "Be Brave and Just Jump in and Do It" Motto.

I have known this wonderful woman for many years, and I was so excited when she said she was going to open her own Salon; and now that Special day has come; Ann-Marie has just celebrated the Grand Opening of her brand new Dashing Diva's Nail Salon
