

Tammy Taylor Acrylic Nail Products

Tammy Taylor acrylic nail product does not get brittle or crystallize. Because of the chemical bond between the acrylic and the primer, *Tammy Taylor Nails* do not lift. The liquid and powder have cross-linkers that weave together to form tremendous strength to eliminate breaking. The product does not yellow because of added UVA and UVB inhibitors. *Tammy Taylor Nails* are not porous, which means they will not stain and are easier to file.

Acrylic Nail Powders and Liquid. With our selection of eleven different colors, you can customize your clientele! Our powders come in Whitest White, Dramatic White, White, Pinkest Pink, Dramatic Pink, Pink, True Pink, Clear Pink, Peaches & Cream, Natural and Clear. Our monomer liquid is manufactured with only the highest industry standards in mind. Our liquids do not contain MMA.

Our Original and Summer Nail Powders come in 1 oz., 2.5 oz., 5 oz., 6.7 oz., and 14.75 oz. sizes.

Our Original and Summer Nail Liquid comes in 4 oz., 8 oz., 16 oz., 32 oz., 64 oz., and 128 oz.

Summer Nail Powders and Liquid. Our Summer Powders contain less Benzoyl Peroxide which helps your sculptured nails dry slower in hot weather. These powders will not yellow with the heat and sun. We offer our Summer Powders in the same eleven colors as our Original Powders. Our Summer Liquid contains less Para-Toluidine which dries slower and gives your sculptured nails extra sunscreen for less yellowing. Summer Powders and Liquid can be used with Original Powders and Liquid.

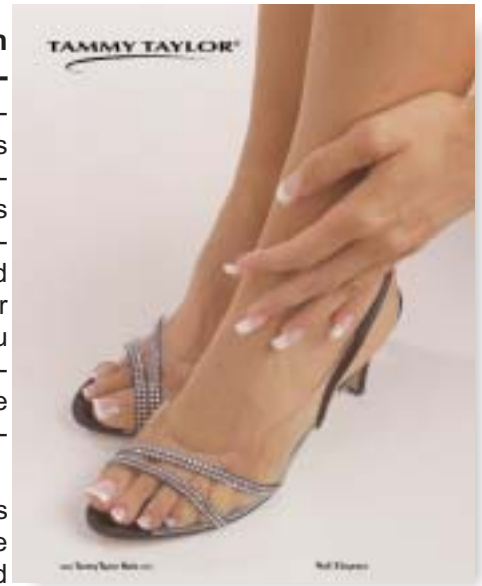

Salon Fresh Odor-less System. Our new Salon Fresh Odor-less System is a breakthrough that took us over ten years to develop. You won't find a stronger or easier system to apply. You can do fills over Original acrylic with the Salon Fresh Odor-less System.

Our Odor-less Nail Powders come in 1 oz., 2.5 oz. and 5 oz. sizes.

The Odor-less Nail Liquid comes in 4 oz. and 8 oz. sizes.

Salon Fresh Brush Cleaner and Surface Cleaner are also available to use with the Odor-less System.
