

# Tammy Taylor "Competition" Scoring Sheet:

Sculptured acrylic nail categories and tips with overlays, will be judged from this Spec Sheet only. You will receive 1 pt. if the area of the nail being judged is exactly like the Spec Sheet or a 0 if it isn't. Your time will break a tie.

1. Free-edge must extend straight out from the nail-groove on the left. 
2. Free-edge must extend straight out from the nail-groove on the right. 
3. Tip of free edge shaped as square-oval. 
4. Product at cuticle must be no closer than 1/32nd of an inch (0.79 mm). 
5. Natural looking, smooth and shiny. 
6. C-Curve: Look down the barrel of the nail, the C-Curve must be approximately 40% of a circle. 
7. Thickness: Look down the barrel of the nail, free-edge tip is no thicker than 1/32nd of an inch (0.79 mm). 
8. Contour: Top of the nail from the side view, must have a thin cuticle area, and thicker stress area, and thinner free-edge. 
9. Free-edge same length as nail-body. (Especially for Pink & White nails) 
10. Width: Free-edge is same width as nail-body.
